**Subject:** Re: John, are you in Edison? Do you have the name of the manufacturer of the MB cyl on St. Croix??

I'm off today. I was told the cylinder in St. Croix has a label from Kelly Solutions. We think that Kelly is a company that just helps others register products and does not manufacture. Superior Angran has supplied Terminix with MB in the past and this cylinder may have originated there. VI DPNR contacted Superior to ask them to voluntarily recall the cylinder. I have not been advised of a response.
